

To Whom It May Concern:

I thoroughly enjoy listening to my XM Radio due to the variety and quality of its programming that cannot be found anywhere else. I pay a subscription to listen to XM Radio and it shouldn't be left up to any organization especially the National Association of Broadcasters to dictate what I am permitted to hear. Please reject The NAB's Petition 04-160 and support XM's ability to provide the kind of programming that I demand and deserve. Thank You.
